Hi Nanna

An Heartfelt Story of Unconditional Fatherhood & Eternal Love

Movie Overview & Vision

Hi Nanna (2023) is a acclaimed Telugu romantic drama that touched audiences with its emotional depth and storytelling.

- **Lead Cast:** Nani (Viraj), Mrunal Thakur (Yashna/Varsha), Baby Kiara Khanna (Mahi)
- **Director:** Shouryuv
- **Music:** Hesham Abdul Wahab
- **Core Themes:** Single parenting, fate, memory, and unconditional love

Viraj & Mahi's Bond

A Dad's Entire World

Viraj is a devoted single father whose life revolves around raising his daughter Mahi, who suffers from cystic fibrosis.

Through bedtime stories and unconditional care, he builds a world of joy and magic to protect her health and happiness.

Character Dynamics & Fate

Viraj & Yashna

A relationship shaped by profound love and tragic loss. Even when memories are erased by fate, the unspoken emotional bond between Viraj and Yashna lingers deeply in their hearts.

Yashna & Mahi

An instant, irresistible connection. Mahi finds a comforting motherly presence in Yashna, while Yashna feels an unexplainable instinct to love and protect little Mahi.

Why It Resonated

Purity of Fatherhood: Celebrates single fatherhood with rare grace, warmth, and sincerity.

Masterclass Performances: Features sensitive, career-defining acts by Nani, Mrunal Thakur, and young Kiara.

Soulful Music Album: Chartbusters like "*Samayama*" and "*Gaaju Bomma*" elevate the film's emotional impact.

Thank You!

Hi Nanna remains an unforgettable tale of love, resilience, and family.

 **A Modern Cinematic Classic**
